

## A City Brought To Life In Powerful Poetry Collection

*Dawn in Cities* By Gary Beck

### For Immediate Release

Sacramento, CA – Talented poet and word weaver Gary Beck has created a stunning look at human nature and the effects our environment has on us. *Dawn in Cities* is a beautiful and artful collection of poetry that pulls you in and keeps you there.

The sun rises across the wasteland. It is *Dawn in Cities*. Our dreams are delivered a cruel reality and our plans are shown an ongoing detour as poet Gary Beck uncovers the living, breathing personality of our urban seducer. Many are drawn to her promise of wealth and success. Many are imprisoned within her walls of filth and squalor. Only those who embrace her in spite of her wicked intentions can find the beauty and wonder within her journey.

*Dawn in Cities*, is a 96 poetry collection. **Paperback ISBN:** 978-0-9881845-8-9 \$11.99 retail, and is released on 2/6/2013. eBook Release 2/08/2013 \$5.99 retail. For more information, contact Winter Goose Publishing: [info@wintergoosepublishing](mailto:info@wintergoosepublishing).

#### **About Gary Beck:**

Gary Beck has spent most of his adult life as a theater director. He has had numerous published works including *Days of Destruction*, *Expectations*, and his novel, *Extreme Change*, published by Cogwheel Press. Gary has also had several original plays and translations produced off Broadway, in New York City where he currently resides.
